LETTER OF OATH

To whom it may concern,

According to the Cannabis Control Law (大麻取締法, Taima Torishimari ho) of Japan, aka 1948 Law No. 124, the products contained herein have been tested for THC and pesticides and many other harmful chemicals. This third-party testing lab certifies that these products have 0.0% THC or ND (non-detectable)

I acknowledge that these products are extracted and derived from mature stem, stalk and seed of the cannabis sativa L plant which contain 0.0% of THC.

Please see the Certificate of Analysis associated to this specific batch to verify that THC is non-detectable. Thank you so much.

Respectfully,

Benjamin S Bartel, CEO
